Payment Method: Credit Card

You can expect in-stock items to ship within 24 hours of placing your order.
For on-demand items, please refer to the individual production time listed within the product specifications and allow an additional 3-5 days for ground transit from the manufacturer.

Your credit card was authorized during check out, however actual billing occurs upon shipment.

When a credit or debit card is used for payment on an order, an authorization hold will appear on your statement for an estimated dollar amount based on the product, tax and shipping costs. Upon shipment of the order the credit or debit card will be settled for the actual amount of product, tax, and shipping costs. The authorization hold will drop off your statement within 48 hours of the transaction being settled.

If you have any questions call us at the number on our contact us page or login to your account and to see the latest status for your order.

Thank you for shopping with us.
